AMENDMENTS TO THE CANADIAN DERIVATIVES CLEARING CORPORATION OPERATIONS MANUAL FOR THE PURPOSE OF MOVING THE AFTERNOON INTRA-DAY MARGIN PROCESS

Summary

On July 29, 2015, the Board of Directors of Canadian Derivatives Clearing Corporation (CDCC) approved amendments to the Operations Manual of CDCC. The purpose of the proposed amendment is to move the start time of the Afternoon Intra-Day Margin Call process from the existing 1:15 p.m. start to 12:45 p.m. Eastern Time (ET) to ensure that Clearing Members have a one (1) hour window to address discretionary margin call shortfalls with collateral prior to CDCC moving Canadian cash via Large Value Transfer System (LVTS) to cover Clearing Member's obligations.

Please find enclosed an analysis document as well as the proposed amendments.

Process for Changes to the Rules

CDCC is recognized as a clearing house under section 12 of the *Derivatives Act* (Québec) by the Autorité des marchés financiers (AMF) and is a recognized clearing agency under section 21.2 of the *Securities Act* (Ontario) by the Ontario Securities Commission (OSC).

The Board of Directors of CDCC has the power to approve the adoption or amendment of Rules and Operations Manual of CDCC. Amendments are submitted to the AMF in accordance with the self-certification process and the Ontario Securities Commission in accordance with the process provided in its Recognition Order.

I. SUMMARY

CDCC is proposing to move the start time of the Afternoon Intra-Day Margin Call process from the existing 1:15 p.m. start to 12:45 p.m. Eastern Time (ET).

II. ANALYSIS

a. Background

CDCC's Corporate Operations department informs Clearing Members of margin shortfalls after each Intra-Day Margin Call process run. If, after one (1) hour, the Clearing Member is unable to collateralize the shortfall, CDCC will process a Large Value Transfer System (LVTS) payment to the clearinghouse on behalf of the Clearing Member.

CDCC's Settlement Account for holding Clearing Members' pledged Canadian cash is held at the Bank of Canada. CDCC must complete all its cash movements to this account prior to 3:00 p.m. ET. CDCC's cut-off time for Clearing Members to put up cash deposits and send in cash withdrawal requests is 2:45 p.m. ET. This allows CDCC fifteen (15) minutes to ensure that payments are processed before the 3:00 p.m. cash movements' deadline.

The timing for the start of CDCC's afternoon Intra-Day Margin Call process run was set to allow the above process to work smoothly. The following is the timeline that is currently followed:

- 1:15 p.m. to 1:30 p.m. ET – Afternoon Intra-Day Margin Call process runs.
- 1:30 p.m. ET – Afternoon Intra-Day Margin Call process completed.
- 1:30 p.m. to 1:45 p.m. ET – CDCC notifies Clearing Members of Intra-Day Margin Call shortfalls.
- 2:45 p.m. ET – Deadline for Clearing Members to meet their Intra-Day Margin Call shortfalls.
- 2:45 p.m. ET – Deadline for Clearing Members to put up cash deposits and send in cash withdrawal requests.

In May 2015, CDCC activated a number of changes to address the gaps identified in its observance of the Principles for Financial Market Infrastructure. CDCC addressed the following two gaps:

- Mismatch Settlement Risk, and
- Intra-Day Variation Margin Risk

with the use of the Discretionary Margin Call process, which is reliant on the output of the 1:15 p.m. ET Afternoon Intra-Day Margin Call process.

When the 1:15 p.m. output is available, CDCC runs the Discretionary Margin Call process to determine whether discretionary margin is required by any of its Clearing Members. CDCC then notifies concerned Clearing Members of Discretionary Margin Call shortfalls.

As with all margin calls, CDCC wishes to ensure that Clearing Members have a one (1) hour window to address discretionary margin call shortfalls with collateral; however, operationally, CDCC has been challenged to issue the Discretionary Margin Call to Clearing Members by 1:45 p.m.

CDCC is proposing the following changes:

- 12:45 p.m. to 1:00 p.m. ET – Afternoon Intra-Day Margin Call process runs.
- 1:00 p.m. ET – Afternoon Intra-Day Margin Call process completed.
- 1:00 p.m. to 1:15 p.m. ET – CDCC notifies Clearing Members of intra-day margin call shortfalls.
- 1:00 p.m. to 1:15 p.m. ET – Discretionary Margin Call process runs.
- 1:15 p.m. to 1:30 p.m. ET – CDCC notifies concerned Clearing Members of discretionary margin call shortfalls.
- 2:15 p.m. ET – Deadline for Clearing Members to meet intra-day margin call shortfalls.
- 2:30 p.m. ET – Deadline for concerned Clearing Members to meet discretionary margin call shortfalls.
- 2:45 p.m. ET – Deadline for Clearing Members to put up cash deposits and send in cash withdrawal requests.

b. Description and Analysis of Impacts

CDCC does not believe there will be any impacts to the Clearing Members by moving the Afternoon Intra-Day Margin Call process 30 minutes earlier.

c. Proposed Amendments

See Appendix 1.

d. Benchmarking

Not applicable.

III. PRIMARY MOTIVATION

CDCC's primary objective for the proposed amendments is to ensure that Clearing Members have a one (1) hour window to address discretionary margin call shortfalls with collateral prior to CDCC moving Canadian cash via LVTS to cover Clearing Members' obligations. In addition, with the amendments, CDCC would have an operational schedule that would be consistently met.

IV. IMPACTS ON TECHNOLOGICAL SYSTEMS

There are no technology changes required for these amendments. The timing of the Intra-Day Margin Call processes is based on a parameter within the Canadian Derivatives Clearing Service (SOLA-C component).

V. OBJECTIVES OF THE PROPOSED AMENDMENTS

CDCC's primary objective for the proposed amendments is to ensure that Clearing Members have a one (1) hour window to address discretionary margin call shortfalls with collateral prior to CDCC moving Canadian cash via LVTS to cover Clearing Members' obligations. In addition, with the amendments, CDCC would have an operational schedule that would be consistently met.

A secondary objective is to ensure that CDCC is not faced with a situation where a cash deposit is required after 3:00 p.m. ET to address a Clearing Member's discretionary margin call shortfall. If this were to occur, CDCC would be in a situation where the Clearing Member's deposit would be held overnight at a private bank.

VI. PUBLIC INTEREST

In CDCC's opinion, the proposed amendments are not contrary to public interest. The Afternoon Intra-day Margin Call process will be thirty (30) minutes earlier than it is currently. As part of the proposed amendments, the deadline for Specific Deposits withdrawals must also change as this process is linked to the Afternoon Intra-day Margin Call process.

VII. MARKET IMPACTS

With these amendments, CDCC would have an operational schedule that would be consistently met.

VIII. PROCESS

The proposed amendments will be submitted to the CDCC Board for approval. After approval has been obtained, the proposed amendments, including this analysis, will be sent to the Autorité des marchés financiers in accordance with the self-certification process, and to the Ontario Securities Commission in accordance with the "Rule Change Requiring Approval in Ontario" process. The proposed amendments and analysis will also be submitted for approval to the Bank of Canada in accordance with the Regulatory Oversight Agreement.

IX. EFFECTIVE DATE

CDCC would like to implement these amendments in the third (3rd) quarter of 2015.
