The Bourse and CDCC wish to inform you that Fording Canadian Coal Trust (“Fording”) has announced on September 30, 2008 that its unitholders have accepted the offer of Teck Cominco Ltd. (“Teck”). Pursuant to the terms of this agreement, Fording unitholders will receive a cash amount of US\$82.00 (which includes the final unitholder distribution of US\$3.00 less any withholding taxes) plus 0.245 of a Teck Class B subordinate voting share per Fording unit.

The anticipated date for the delisting of Fording trust units from the Toronto Stock Exchange is at the close of the market on October 30, 2008. As the entitlements to be received by unitholders of Fording are conditional on the closing of the arrangement, a final notice confirming the delisting date will be published around October 30, 2008.
