CDCC Risk Parameter (SPAN) File - File Naming Convention Change

CDCC wishes to inform you that the Risk Parameter files published on the CDCC [website](#) will undergo a naming convention change. Specifically, the file name will change **from** [cdcMMDDs.zip](#) **to** [cdcYYYYMMDDs.zip](#).

Starting February 2, 2026, CDCC will begin publishing the files under the new naming convention, while maintaining the legacy format in parallel. Effective March 2, 2026, the old naming format will be discontinued.

Please note that there is no impact to the content of the files.

CDCC invites Clearing Members to conduct the necessary adjustments in their own systems, and/or to coordinate any necessary adjustments with their respective 3rd party service providers.

If there are any questions or concerns, please contact CDCC's Business Operations department or direct your email inquiries to cdcc-ops@tmx.com.
