Directory of Clearing Organizations

Canadian Derivatives Clearing Corporation (CDCC) would like to inform the Clearing Members that its twice per year publication, "Directory of Clearing Organizations" will now be available free of charge in PDF format.

CDCC will continue its process of communications with firms within the securities industry to keep this document current.

The PDF documents will be available on CDCC's web site – www.cdcc.ca – within the "publications" section. Updated documents will be available in early June and December as has been CDCC's long term practice.

As part of this offering, CDCC will be discontinuing the sale of the hard copy version and CD-ROM of this document.
